

Laptop Network Service

Fast - High Speed Hard Wired Service

When you Conference at Palm House you might need to have a Hi-Speed Internet connection using your Laptop. Wi-Fi is OK but sometimes rather slow and you might need 2 - 6 - 10 or more Laptops on-line using Video Conferencing.

Well, Palm House can offer you a hard wired Hi-Speed network hub that can take up to 20 individual Laptops all connected to the Internet for a simple one price for the day.

You will be connected directly to our Hi-Speed system and have the ability to link up to other people around the world using SKYPE or any video system. We will also supply individual Hi-Speed Cat5 Ethernet cables for each Laptop. Find out more about this service - call our events team today.

This service is available only during the set conference times and is subject to a fair-use policy. Wi-Fi connection is also available, throughout the building, with a free 5 mb per day usage. Vouchers can be purchased for additional usage. Please ask for full details on our internet services.
